Overview

- **Mission**
- **Basic RC Eligibility**
- **Ongoing Concerns**

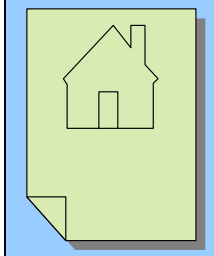
Military Medical Support Office *Mission*

To directly support the provision of health care for service members enrolled in the TRICARE Prime Remote (TPR) Program and other eligible personnel through:

- Medical and fitness for duty oversight and coordination, and

- Dental care pre-authorizations and claims processing

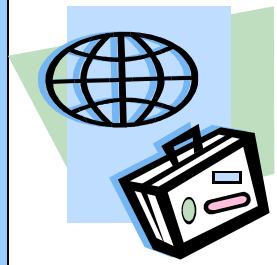
Types of Reserve Component Eligibility



Inactive Reserve Status:

During performance of IDT / AT / ADT

Covered for Urgent / Emergent care

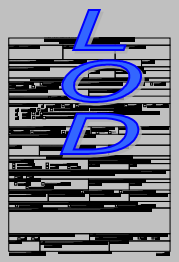


Activated for Contingency Operations or on active duty orders for more than 30 days

Eligible for TRICARE

Transitional Assistance Management Program (TAMP)

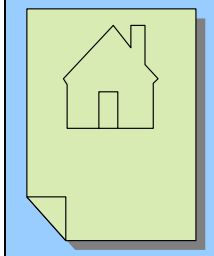
Eligible for TRICARE Prime or Standard ONLY



RC Members with LOD determination

Eligible for care related to LOD condition only

LOD Entitlement



Inactive Reserve Status:

During performance of IDT / AT / ADT

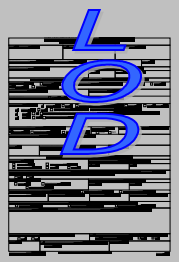
Care required during a duty period is documented per service policies

Army – DA Form 2173 or DD 261

Navy – Notice of Eligibility

Marines – Notice of Eligibility or MCMeds

Air Force – AF 348 or DD 261



RC Members with LOD determination

LOD is required for all care that extends beyond duty period

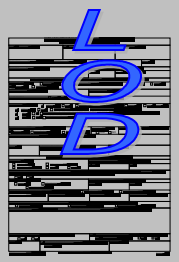
Active Duty Options

*Member may be extended on AD or released before treatment is completed**

Activated for Contingency Operations <u>or</u> on active duty orders for more than 30 days

Transitional Assistance Management Program (TAMP)

LOD care may overlap TAMP period



RC Members with LOD determination

*May be extended on AD if treatment is required beyond duty period**

*ADME guidance is available at: http://www.armyg1.army.mil/militarypersonnel

Ongoing Concerns

- Soldiers being REFRAD with ongoing medical issues, but no guidance
- Confusion over who does what…. (MTF, MMSO, VA)
- Confusion over entitlements for IADT vs other Active Reserve categories (ADT, MOB, TTAD)
- MTF Apathy toward non-enrolled personnel
- Exodus periods

What you can do to help?

- Ask every soldier about LOD injuries during out briefs
- Ensure member has instruction memo for obtaining follow-up care for LOD injuries and that LOD is completed by MTF/training unit prior to REFRAD
- Provide soldier proper instructions for obtaining medical care upon return to home station during exodus periods (only ER / urgent care is authorized)
- Train your staff on the basics of LOD entitlements
- Post information about the MMSO website in your office

MMSO Website

- MMSO Website
  - http://mmso.med.navy.mil/ includes:
    - Reserve Component Instructions
    - RC Commanders Brochure
    - MMSO Forms
    - LOD regulation *Excerpt of* AR 600-8-1 (1986)
    - Unauthorized Medical Care List
    - Remote Dental Program for Service Members Instructions
    - Obtaining eyeglasses from DOD Optical Fabrication Labs
    - Where to get help telephone and e-mail customer services
